

## **Riverside living at Castle Keep, Northwich** **- A great opportunity for first-time buyers!**

***Home buyers looking for a riverside location should take a closer look at 'The Conway' 2-bed apartments at Miller Homes' 'Castle Keep' development in Northwich.***

With just three of these spacious *en-suite* apartments remaining (Plots 26, 29 and 32), the asking prices (from £XXX,XXX) will be particularly attractive to first-time buyers.

Even better, 'Castle Keep' is peacefully located at the edge of what will be a £200 million regeneration project – 'Northwich Vision' – designed to transform Northwich town centre into one of Cheshire's premier leisure destinations.

The 15-year time-frame of the 'Northwich Vision' project will ensure that anyone buying into 'Castle Keep' now will not only enjoy a riverside lifestyle where new shops, bars and restaurants are planned. They will also be in on a ground-floor opportunity to buy a stake in the all-new Northwich – AT 2006 PRICES!

With timbered gables, elegant façades and dormer windows, 'Conway' apartments have an imposing presence

on the 'Castle Keep' development of 4-bed townhouses, 1 and 2-bed apartments.

As with all Miller homes, great care has been taken with every detail of the design and specification. The well-equipped kitchen, for example, has been designed to combine maximum convenience with good looks.

This can be seen in the contemporary stainless steel extractor hood with matching one-and-a-half oven together with a fridge-freezer, washer-dryer and dishwasher which are fully integrated into the units.

Similarly, the bathroom and *en-suite* are generously tiled and boast easy-to-use combined bath and shower rinser handset, plus contemporary chrome taps by Bristan.

The *en-suite* master bedroom with its TV and telephone points provides a spacious and relaxing area, whilst the second bedroom can be used for overnight guests, or as a study or home-office.

The location of 'Castle Keep', on the banks of the River Weaver overlooking the marina in the centre of Northwich, could not be bettered. It offers pleasant waterside walks, good local shopping and easy links to the M56 and M6 motorways.
