

**(Residence Assessment Letter – New Zealand)**

Dear Mr Smith

**Congratulations! You've cleared the first hurdle in your application to emigrate to New Zealand...**

Thank you for returning your completed Emigration Assessment Form. Based on the information you've provided, I'm pleased to tell you that your eligibility for a New Zealand Residence Visa looks very favourable.

**Of the three streams in the country's Residence Programme – Skilled/Business, Family Sponsored and International Humanitarian – we feel that the Skilled Migrant Stream is your best option.**

As you may know, applicants are selected on a points-based system using various factors such as age, qualifications and work experience. **Your own individual points score is attached to this letter and is based on the information you provided in your Assessment Service Form and CV.**

**Priority is given to those applicants who have an offer of employment in place.** At The Emigration Group, we know that having a job offer in New Zealand could be crucial to the success of your application. That's why we developed our unique JobSearch programme.

**We can discuss how this works – together with all other details of your application – when you visit our London or Chester offices for your Personal Consultation. (This face-to-face service is included in the £95 fee which you have already paid for your Assessment!)**

**You'll find our experienced consultants to be both knowledgeable and helpful. They'll tell you everything you need to know about visa applications, time-scales, costs and re-settlement – not forgetting the all-important JobSearch.**

**Our mission at The Emigration Group is to do everything we can to turn your dream of a life in New Zealand into reality. Immigration policy is always subject to change so it's important to come and meet us as soon as possible.**
