<h1>

Introducing TOK Construction recruitment services

</h1>

<h2>

A dynamic recruitment agency specialising in job placements for experienced tradesmen and labourers throughout the UK building and construction industry

</h2>

TOK Construction is moving into a new phase in its three-decade development. Perfectly poised for the upturn in the UK construction industry, we're looking to apply all our experience and the power of web technology to take us to the next level.

That means even quicker placements with even better-matched candidates – and candidates who remain committed to the values of TOK Construction.

We're talking about optimum workplace performance that spells value for money for our clients, and job satisfaction for our registered tradesmen and labourers, many of whom have worked with us since the early days!

Check out what TOK Construction can offer:

- **[For Employers](#) (CREATE INTERNAL PAGE LINK) - We're committed to developing ongoing partnerships with all our clients to make sure you get the very best out of our recruitment services. Find out more about the TOK Construction approach to client service, the way we work – and how to [Open An Account With Us](#) (CREATE INTERNAL LINK)**
- **[For Candidates](#) (CREATE INTERNAL PAGE LINK) – If you're looking for regular work at good rates of pay (and holidays too)... If you're a qualified tradesman or an experienced semi-skilled or unskilled labourer, TOK Construction have the jobs you've been looking for. [Register With Us Today](#) (CREATE LINK)**

- **Services & Sectors** – Matching the needs of clients and candidates is what we're all about. It's brought three decades of success, providing recruitment services for the building and construction industry – yet still we want to achieve more!

TOK Construction was founded by Tony O'Keeffe nearly thirty years ago. Today, we still embrace the same values of personal and cost-effective service that have seen the company become a leading player in the provision of recruitment services for the UK building and construction industry.
